INFORMATION REGARDING BONUS POINTS

(This is applicant information only and does not need to be returned with the completed application)

At the conclusion of the testing process, applicants who have successfully passed all phases may be eligible for certain bonus points, as listed below:

Veterans Preference: 10 Points

All applicants eligible to receive veterans points will have the points added to their final score at the conclusion of the testing process. At that point all candidate scores shall be calculated and an eligible hiring list established, and hiring will proceed based on that list, if any veteran is included in the top three (3) eligible candidates.

If no veterans preference points are awarded, or, if after the above calculation no veteran is placed within the top three (3) candidates, then the below listed bonus points will be calculated into the top three (3) eligible candidate scores:

- Policing Experience
- Township of Spring Resident
- Special or Technical Skills
- Secondary Education
