The Dunbarton Police Department participated in the Drug Enforcement Administration's (DEA) **National Prescription Drug Takeback Day** on Saturday, April 25<sup>th</sup> 2026. Residents had the opportunity to turn in their unused, unwanted, or expired medications, no questions asked. The proper disposal of medication helps reduce unauthorized access, theft, abuse and damage to the environment. We will be hosting another event in October, 2026!

April 12<sup>th</sup> – 18<sup>th</sup> was National Public Safety Telecommunicators Week, and we would like to recognize and thank all of the Communications Specialists at the Goffstown Police Department! These dedicated men and women provide exceptional dispatching services for our officers and are most often the first point of contact for those seeking police assistance. 2026 marks our 10th year of being dispatched by GPD and we are very grateful for such a solid and long-lasting partnership!

We enjoyed stopping by the Dunbarton Elementary School in March to participate in **Read Across America!** We visited Mrs. Campbell's second grade class and read several books that were hand selected by DES' wonderful library staff. Thanks for having us!

We would like to celebrate and recognize Sergeant Brian Tyler for the recent completion of his Master of Arts degree in Management with a concentration in Public Administration from American Military University! Sergeant Tyler's continued

dedication to professional and career development is commendable, and we are all very proud of him!

**Please join us in welcoming Jacob Davies as our newest full-time police officer!** Officer Davies was sworn-in by Town Clerk Jennifer Cormier at the Board of Selectmen meeting on April 16<sup>th</sup>. Officer Davies currently serves in the United States Marine Corps Reserves and will be attending the 203rd Full-Time Police Academy starting in early May. Pictured is Officer Davies with his father, Officer Chris Davies of the Weare Police Department!

On **2026's Administrative Professionals Day**, we would like to thank and recognize Office Administrator Linda Marcoux for all of her hard work and dedication behind the scenes! Linda helps keep the office running smoothly, and we are very appreciative for all that she does!

Individuals can opt-in to receive emergency alerts for incidents such as missing children or vulnerable adults, threats to public safety, or severe weather events that lead to widespread power outages, road flooding, etc. To register, please visit this [link](#). Click on "Click here to register" under the Login button and follow the prompts. ### Vacant Property Checks

peace of mind. To access the request form, please visit this [link](#).

The Dunbarton Police Department has partnered with OfferUp! We have installed this sign in our parking lot at 18 Robert Rogers Road to encourage residents to use this location for **internet purchase exchanges**. A highly visible and public location for these exchanges eliminates the need to

meet at a private residence and reduces the overall risk of victimization and crime.

The Dunbarton Police Department is pleased to offer a new community policing program: **Project Good Morning!** Project Good Morning is a program designed to assist community residents who do not have regular daily contact with relatives, friends or neighbors.

The program allows for residents to make scheduled contact with the Dunbarton Police Department to ensure that they are OK, and further allowing for their independence and ability to stay in their homes. This program allows family, friends and neighbors the security of knowing the enrolled individual is having regular daily contact with someone. The Project Good Morning Application Packet, which includes more information about the program, may be found [here](#). Questions about Project Good Morning may be directed to Office Administrator Linda Marcoux at [dunbartonpd@gsinet.net](mailto:dunbartonpd@gsinet.net) or by calling (603) 774-5500.

The Dunbarton Police Department is a proud partner of **Project ChildSafe**, allowing us to distribute free gun locks to the

community. Gun locks are available in our lobby during regular business hours or by calling (603) 224-1232. To learn more about this initiative, please visit this [link](#).

The Dunbarton Police Department is a member of the [Concord Regional Crimeline](#).

Anonymous tips about criminal activity may be submitted through the Crimeline by calling (603) 226-3100 or by visiting the website. Cash rewards are available.

**We believe that a strong partnership with the community is the best deterrent to crime.** If you see *something*, say *something* by contacting our dispatch center at (603) 224-1232.

## CONTACT PERSON NOTIFICATION PROGRAM
