For Immediate Release 3/12/2025

On Tuesday March 11, 2025, the Hatboro Police Department was advised by Federal and County law enforcement agencies that a civilian employee of the Borough's police department has been investigated and arrested for alleged distribution of child pornography. The police department takes such events very seriously. There are no indications that any Borough owned computers or IT systems were involved. After reviewing the information which has been provided by law enforcement personnel, the employee is no longer employed by the Borough.

Any press or other inquiries should be directed to HSI Public Affairs Officer Jason Koontz at Jason.koontz@hsi.dhs.gov
