Jason D. Umberger
Chief of Police

Dear Safety Friend,

We all know awareness is key in keeping our children and community safe. With this thought in mind the **DeLand Police Department** is working with the National Child Safety Council, a 501(c)(3) non-profit organization, to provide safety awareness materials for our community.

We have carefully selected educational materials such as activity manuals, brochures, booklets and other valuable teaching aids that address a broad range of topics that affect communities all over the country. These topics include bullying, child safety information, teen issues, drug education, alcohol awareness, home safety, issues affecting senior citizens and other important community concerns.

These materials will be distributed in our schools and throughout the community through presentations and programs as well as community events and activities. This information is also a fantastic tool to help parents, teachers and our community better understand and respond to the challenges and temptations that our youth face every day.

We are asking for your support by donating to help cover the cost of the material we will be distributing. Any donation is appreciated and all donations are tax deductible. For your convenience you may return your check in the enclosed envelope made payable to **NATIONAL CHILD SAFETY COUNCIL** Federal Tax ID # 38-6035290. We now accept credit card donations by contacting Mindy at 1-877-472-3377.
